Time: 2200hrs

Subject: COMMUNIQUE NO: 1

Approved By: CAMS

From: The Clerk of the Course

To: All **ARC/VRC** competitors / crew members

Number of pages: 2 Attachments: 0

Reconnaissance Conduct

Crews are reminded of the maximum speed limit of 60 km/h on all special stages and any roadbook Quiet Zone limits on road sections and 80 km/h on other unsealed roads. Radar crews will be monitoring speeds during recce. Penalties are outlined on Page 2 of the roadbook. These restrictions are necessary as stages are not closed for recce and there will be local traffic about. Perceptions by local road users of unnecessary high speeds by crews jeopardizes the sport here and elsewhere.

Liaison Conduct

The same applies on liaison stages during the event. Rallysafe will be used to monitor speeds of crews and penalties will be applied if deemed necessary to achieve an acceptable image of our event. Penalties are outlined on Page 2 of the roadbook.

Emergency Procedure

Crews are reminded to be familiar with the emergency procedure on Page 7 of the roadbook. In brief: If you need medical help: press *Rallysafe SOS and display SOS board*.

If you see SOS board: press Rallysafe SOS, assist the crew and send 2nd & 3rd cars on.

If you see a car that has had an incident but, no SOS sign: *Stop, check if valid, press Rallysafe SOS, assist, send 2nd & 3rd cars on*. If you stop in a hazardous position, but no medical attention is required: *show OK sign and triangles*.

If you see an official waving a yellow flag at an SOS point that means the stage has been stopped. Pull up there and await further instructions.

Corner Cutting

Crews are reminded of the measures described in Bulletin 1 to discourage cutting of corners and associated damage to road shoulders by the placement of orange plastic bollards with heavy metal bases. Some are mentioned in the roadbook. Most will be in position for recce. Crews will be advised if further bollards are placed after recce. On SS 12/16, in one instance on the bitumen part, bollards will be placed on the edge of the bitumen to prevent gravel being brought onto the bitumen, but these will

not be in place on recce. To allow cars to safely pass, witches hats off the road shoulder will indicate where bollards will be on Sunday.

Service Park Catering

FRIDAY: De Bella coffee from 10:30am until it's quiet.

Zed and Co. food from 8:00am until it's quiet.

SATURDAY: De Bella coffee from 9:30am until it's quiet.

Gypsies Lunch Box food from 8:00am to 5:00pm.

SUNDAY: Espresso Coffee. 7:00am to late afternoon

Gypsies Lunch Box food from 7:00am to late afternoon.

After Party

All crews and support crews are encouraged to come along to the City Oval Hotel after everything wraps up at the Podium on Sunday. Meals will be available from 6.00pm. Footage from the Rally will be on the big screen. Officials will be there exchanging their vouchers for drinks. It promises to be a lively finish to the weekend.
